

Boltrics Website Terms of Use

Last Updated: 18 August 2025

1. Applicability and Acceptance

The use of boltrics.com and/or learn.boltrics.com (the “Website”) is subject to these Terms of Use. By visiting and/or using the Website, you agree to be bound by these Terms of Use. The [Boltrics General Terms and Conditions](#), as published on this Website in their most current version, apply to these Terms of Use insofar as relevant to the use of the Website. These Terms of Use are legally binding for your use of the Website. The mere use of this Website, however, does not create or constitute an agreement for the provision of services or products by Boltrics. Boltrics reserves the right to amend or supplement these Terms of Use at any time. The most recent version will always be published on this Website. It is your responsibility to periodically review these Terms of Use for changes. By continuing to use the Website after a new version has been posted, you agree to the amended Terms of Use.

2. Website Content and Use

Boltrics compiles and maintains the information on this Website with care and updates it regularly. Nevertheless, the content may be incomplete, inaccurate, or outdated. No rights can be derived from the information on this Website. The information is intended solely as general, non-binding information and does not constitute a binding or concrete offer to enter into an agreement. Agreements with Boltrics are only concluded by written acceptance of an explicitly designated offer from Boltrics.

Boltrics reserves the right to change or remove the content of the Website at any time without prior notice.

3. Marketing and Promotional Content

General marketing statements, product descriptions, and promotional messages – including expressions that are subjective in nature or clearly intended to present products or services in a favorable light – shall be considered normal advertising. Such statements may contain inherent exaggeration and do not create enforceable rights or legitimate expectations under law or case law.

4. Third-Party Websites and Content

The Website may contain references and/or hyperlinks to external websites that are not operated by Boltrics. These links are provided for informational purposes only and have been selected in good faith.

The linked websites are entirely outside the control of Boltrics. Boltrics accepts no responsibility or liability for: (i) the content, accuracy, availability, or security of linked websites; (ii) any links contained within such websites; (iii) changes or updates to such websites; or (iv) webcasting, live streams, or any other form of digital transmission offered or received via such websites. The inclusion of any link does not imply that Boltrics endorses the relevant website, or the information, products, or services offered on it. Use of such websites and/or transmissions may be subject to additional terms of the relevant third party.

Where information, content, or links originate from a third party, such as Microsoft, the disclaimers and conditions stated on the relevant Boltrics webpage also apply, and you are required to comply with them. Boltrics accepts no responsibility or liability for the accuracy, completeness, or timeliness of such third-party content, including any changes made by the relevant third party after publication on the Boltrics Website.

5. Limited Liability

To the fullest extent permitted by law, Boltrics accepts no liability for any damages arising in any way from (a) the use of the Website; (b) the incompleteness or inaccuracy of the information provided on the Website; (c) the (temporary) unavailability of the Website; or (d) viruses or other harmful programs transmitted via or through the Website.

All materials and/or information provided on the Website are offered without any form of warranty or claim to accuracy, and Boltrics may change or remove such content at any time without prior notice.

If, notwithstanding the foregoing, Boltrics is found liable for any damage arising from or in connection with the Website or its content, such liability shall in all cases be limited to direct damages only and (total cumulative liability) shall not exceed EUR 50 (in words: fifty euros).

For the avoidance of doubt, the liability limitations and caps contained in the Boltrics General Terms and Conditions for paid Products and Services do not apply to the use of this Website.

6. Electronic Communication

Boltrics cannot guarantee that emails or other electronic messages sent to it will be received and processed on time, and accepts no liability for the consequences of any delay or failure in receipt or processing.

7. Intellectual Property Rights

All intellectual property rights, including but not limited to copyrights, trademark rights, and database rights, in the information, text, images, logos, photos, illustrations, layout, and design of this Website are owned by Boltrics and/or its licensors. The content of this Website is intended solely for personal, non-commercial use. Any other use – including reproduction, distribution, or public disclosure (in whole or in part) in any form or by any means – is prohibited without the prior written consent of Boltrics.

8. Privacy and Cookies

In our [Privacy Statement](#), we explain how we handle the information we collect about you when you use this Website and cookies. This statement is provided for informational purposes only and does not create any contractual relationship between you and Boltrics.

9. Governing Law

All matters relating to your access to or use of the Website, including any disputes, shall be governed by and construed in accordance with the laws of the Netherlands.
